

BE THE
MIQUIFF

THE QUIFF

GRADUATED AND CONNECTED: CUT SHORT TO LONG WITH A SWEEPED-ROUND QUIFF.

Francois is a natural light redhead with thick texture.

TIPS & TRICKS

Don't forget about the men! Ask them about their morning styling habits - you'll be surprised by the amount of time they spend in front of the mirror! Show them how they can complete their look with products from your styling range.

CUT

CUT 01
Create a triangle section down to the occipital.

CUT 02
Cut vertical sections from the sides to the back at a 45 degree angle to create the shape.

CUT 03
Make a middle section and cut: Short at the back to long at the front.

STYLING

STYLING 01
Blow dry the hair with a Wella Flat Brush and a Wella Sahara hairdryer to give movement and texture.

STYLING 02
Apply Pearl Styler from the roots to the ends.

STYLING 03
For a defined quiff use a comb at the front of the hair and finish the look with your fingers.
